Jesus Conquers Death

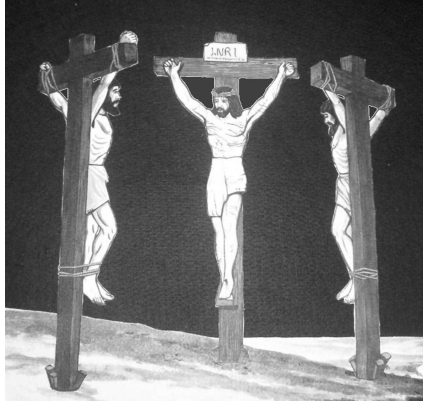

Sabbath

Have you ever lost a pet, or a friend or relative? It is a very sad thing. Jesus' friends were very sad when He died too, but they didn't stay sad.

Sunday

Jesus was nailed to a cross between two thieves. It was Friday and before sunset the soldiers checked and found that Jesus was already dead. But one soldier stuck a sword in Jesus' side to make sure.

Then a man named Joseph, who had been a secret disciple of Jesus, took Jesus' body, laid it in his own new tomb and rolled a heavy stone in front of it. So Jesus rested in the tomb for the Sabbath.

Now the priests went to see Pilate. They told him, "We want you to seal the tomb and guard it.

This will stop His disciples from stealing His body and then telling everyone He was raised from the dead! If that happens, we'll be worse off than when He was alive."

Pilate agreed; so they sealed the tomb and soldiers stood guard.

Monday

Early on Sunday morning there was a great earthquake!

An angel of the Lord came down from Heaven, rolled aside the stone and sat on it.

The guards were so scared they fainted!

Now Mary and another Mary had gotten up early to visit Jesus tomb. The angel said to them, "Don't be afraid! I know you are looking for Jesus, who was crucified. He isn't here! He is risen from the dead, just as He said He would. Look where His body was lying. Now go quickly and tell His disciples that He has risen from the dead, and He will meet you in Galilee."

Tuesday

The priests were worried because they remembered something that Jesus had said.
